Prepared by writing center directors, the articles in this book examine the pedagogical theories of tutorial services and relate them to actual center practices. The 19 articles are arranged into three categories: writing center theory, writing center administration, and special concerns. Specific topics discussed in the articles include the following: (1) collaborative learning, (2) writing center research, (3) promoting cognitive development in the writing center, (4) writing centers in the two-year college, (5) developing a peer tutoring program, (6) the handbook as a supplement to a tutor training program, (7) reluctant students, (8) prewriting for the laboratory, (9) meeting the needs of foreign students, (10) tutoring business and technical students, (11) attitudes in writing center relationships, (12) financial responsibility, (13) form design and record management, and (14) undergraduate staffing in the center. A selected bibliography concludes the book. (FL)

The aptitude to write well is increasingly becoming a vital element that students need to succeed in college and their future careers. Students must be equipped with competent writing skills as colleges and jobs base the acceptance of students and workers on the quality of their writing. This situation captures the complexity of the fact that writing represents higher intellectual skills and leads to a higher rate of selection. Therefore, it is imperative that best strategies for teaching writing speakers of other languages is imparted to provide insights to teachers who can better prepare their students for future accomplishments. *Futuristic and Linguistic Perspectives on Teaching Writing to Second Language Students* examines the theoretical and practical implications that should be put in place for second language writers and offers critical futuristic and linguistic perspectives on teaching writing to speakers of other languages. Highlighting such topics as EFL, ESL, composition, digital storytelling, and forming identity, this book is ideal for second language teachers and writing instructors, as well as academicians, professionals, researchers, and students working in the field of language and linguistics.

Standards-based learning just got a lot easier This new version of the Common Core Companion provides a Smart Chart Index for all states implementing state-specific ELA standards. This index allows you to see in an instant which of your standards are the same as CCSS, which differ and how—and which page number to turn to for standards-based teaching ideas. Beyond that? It's the same great go-to guide for implementing the standards, translating each and every standard for reading, writing, speaking and listening, language, and foundational skills into the day-to-day "what you do."

It's the teaching around the standards that counts! If you're an upper-elementary teacher, we have a Common Core Companion for you, too! What makes this book "that version of the standards you wish you had"? It's the way Leslie Blauman translates each and every standard for reading, writing, speaking and listening, language, and foundational skills into the day-to-day "what you do." It's all here: The standards for literature and informational texts put side by side for easier planning More than a dozen teaching ideas for each standard Recommendations on how to cultivate critical habits of mind A glossary of academic language for each standard An online bank of graphic organizers, reproducibles, charts, and more What makes The Common Core Companion, Grades K-2, "that version of the standards you wish you had"? The way it translates each and every standard into the day-to-day "what you do."
