“A masterpiece of thriller and mystery! The author did a magnificent job developing characters with a psychological side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. WAITING (The Making of Riley Paige—Book Two) is book #2 in a new psychological thriller series by #1 bestselling author Blake Pierce, whose free bestseller Once Gone (Book #1) has received over 1,000 five star reviews. Brilliant 22 year old FBI intern Riley Paige struggles to decode the riddles of the sadistic serial killer dubbed by media as the “clown killer”—but finds it all becomes too personal when she herself, targeted, is in a battle for her life. Recent college graduate Riley Paige is accepted into the prestigious FBI summer internship program, and is determined to make a name for herself. Exposed to many departments of the FBI, she thinks it will be a quiet summer—until a serial killer holds Washington by suspense. Dubbed the “clown killer,” he dressed and paints his victims as clowns, and mocks the FBI with tantalizing riddles in the media. He leaves everyone to wonder: is he a clown himself? Can she win this deadly game of cat and mouse? An action-packed thriller with heart-pounding suspense, **WAITING** is book #2 in a riveting new series that will leave you turning pages late into the night. It takes readers back 20 plus years—to how Riley’s career began—and is the perfect complement to the **ONCE GONE** series (A Riley Paige Mystery), which includes 13 books and counting. ABOUT THE ORIGINAL BOOK The Knight in Rusty Armor has been a real success among its audience, selling more than one million copies worldwide. It is considered to be a motivational book that falls into the self-help category. It is an easy-to-follow narrative, making it accessible to everyone, built with some humor, and is enjoyed by adults, teenagers and children alike. The book tells a story of a somewhat egocentric man, who lives his life concerned with his appearance. Everything he does is without consideration for his wellbeing, rather with the aim of seeking approval of others... Little by little he is locked in his armor, which over time rusts and leaves him imprisoned by his appearance. Then comes a life of reflection and recovery for him. He embarks on a journey to free himself from his prison, during which he enlists the help of a magician. It is an excellent allegory that teaches the importance of being who you are on the inside, without the need to mask your appearance.

It was only supposed to be one time. But that red-hot one night stand from the party? The sexy man in the suit who gave me more Os in a few hours than I've had in a year? My one-time lover is now my enemy. I vow to loathe him for all eternity, though that would be easier if I wasn't dying to get naked with him again. But the more I learn more about my rival, the more I suspect he just might be everything I've wanted... If only I knew how to let him in... **GOOD TO BE BAD** is a sexy standalone romance in the Good Love series!
