Developed by Professionals and Experienced Teachers from top schools across the country, the book has been divided into five sections namely Science, Logical Reasoning, Achievers section, Subjective section, and Model Papers. The concepts have been explained through examples, illustrations, and diagrams. To enhance the problem solving skills of candidates, Multiple Choice Questions (MCQs) with detailed solutions have been provided at the end of each chapter. The Subjective section has been introduced for thorough practice on writing descriptive type questions. Two Mock Test Papers have been provided for practice purpose. A CD containing Study Chart for systematic preparation, Tips & Tricks to crack Science Olympiad, Pattern of exam, and links of Previous Years Papers is accompanied with this book. The book is recommended for various school level and competitive exams.

Panchatantra is perhaps the oldest collection of Indian fables still gaining strength and moving ahead. It is believed to have been written around 200BC by the great Hindu Scholar Pandit Vishnu Sharma. Panchatantra means the five principles". It is a Nitishastra which means book of wise conduct in life. Panchatantra consists of five books: 1. Mitra Bhedha (The loss of friends); 2. Mitra Laabha (Gaining friends); 3. Kakolukiyam (Crows and owls); 4. Labdhap-ranasam (Loss of gains); and 5. Aparikshitakararakam (Ill-considered actions). The simple stories of Panchatantra have stood the test of time in the modern age of materialism, stressful living and individualism, and aim to guide the young readers on how to attain success in life by understanding human nature. Key Features: Written in simple and lucid language Each story is supplemented by a moral Word meaning for vocabulary building Practice exercise given for better understanding Panchatantra is commonly available in an abridged form for children. It is an ideal book worth going through many times over. Honestly speaking, it is of far more practical importance for elders to read this book since it is they who always come in contact with people having good, doubtful or bad intentions and motives. A must read for students of all age groups. #v&spublishers
