Kiki Smith creates an embodied art. She chose the human body as her subject because it is the one form that we all share; something with which each one of us has our own authentic experience. Her choice was informed by undertaking training to become an Emergency Medical Technician and also by the Catholicism of her upbringing.

Recognised the world over for her string installations, Japanese artist Chiharu Shiota's latest site-specific commission embodies the space within the Melrose Wing at the Art Gallery of South Australia. In her conceptually driven practice Shiota attempts to represent what it means to be human.

Chiharu Shiota: Absence embodied - AGSA

15 minute morning and afternoon tea breaks. \$125 pandemic discount. Through our art based activities, we can have a heightened awareness of our embodied experience in the present moment, through which we cultivate presence to ourselves, others and the material world. In this training workshop we practice, explore and deepen our understandings of: • phenomenological presence, therapeutic presence, the presence of imagination and improvisation, and the presence that artworks can exert.

Presence and Embodiment in Art Therapy - ONLINE ...

A number of museums have engaged in this concept of embodied history on a number of levels with the marking of the bicentenary of the abolition of the slave trade. The Royal Naval Historic Dockyard in Portsmouth in their exhibition Chasing Freedom engages with a sense of the corporeal. Whilst the displays include representations of manacles and a section of a slave ship, the museum text focuses heavily on the physical conditions of the sailors of the Royal Navy West African Squadron.

Embodied memory in the museum: museum exhibitions and 1807

The artists selected for EMBODIED are either tattooers themselves or have worked in tattoo shops at some point in their lives. Regardless of their exact relationship to tattooing, they have a sense of the emotional, physical, sometimes spiritual qualities present in the act.

Embodied land is a direct response to the sounds of the sea and the resulting vibrations of the land, which were with me 24 hours a day for the month I spent there, and became embodied within me. Working on the ideas and feelings from this time I have produced paintings and prints both in the studio and working outside in Pembrokeshire where the coastline also resonates with sound.
