A half-blind sky probed the Atlantic with its red eye, beckoning it to show the world the mystery it held in its belly. The first shadows of night had begun to thicken the manes of the coconut trees and slip along the fences when a cry rang out. The only midwife in the village was away on a trip.

~~From “The Belly of the Atlantic” - Words Without Borders~~

The belly of the Atlantic. I remember once going to the beach on a school field trip. We went to Sandy Hook on probably the worst day. There had just been a terrible storm, the likes of which blew hundreds of jellyfish onto the shore, waiting to die and become food for the gulls.

~~The belly of the Atlantic - The Phoenix~~

This article explores the issue of belonging and unbelonging in The belly of the Atlantic by Fatou Diome. The central factor of reflexivity in the novel is underscored by the elements of positionality, auto-ethnography and intertextuality that promote representations of the self, as well as of local and global socio-political and religious concerns.
